“For the convention this year I tried to provide an opportunity for all the candidates to speak since the Primary Election of May 17th is fast approaching. The emphasis was also having as many as I could of the judicial candidates speaking this year. The importance of getting our judges elected, especially the NC Supreme Court, is crucial. Right now, the balance is 4 Dems to 3 Republicans. We have two Supreme Court seats up for a vote this November. If we can win at least one seat, we will effectively shift the balance and when the maps are once again redrawn after the 2022 election, we can actually have maps submitted and approved by the NC General Assembly.”
–Bree Eldridge, Cumberland County GOP Chair

2022 Cumberland County GOP Convention

We had 94 delegates at the county convention this year. The delegates' names were submitted to the NC GOP, and they will be eligible to attend the state convention as voting delegates. We gained two new precinct chairs. One is a member of CCRWC, yours truly, Teresa Ader for Cross Creek 22. CCRWC member Bree Eldridge, CCGOP Chair presided. CCRWC member Shamike Bethea, CCGOP 2nd Vice Chair led the Pledge of Allegiance. A resolution supporting our Lt Gov objecting to pornography in schools was passed. There were many candidates who spoke including Richard Hudson and our own associate members John Szoka, Susan Chapman, Susan Mills, Diane Wheatley, Michael Andriani, Gloria Carrasco and Thomas McInnis.

From the President, ...

Welcome to April 2022. We were busy during the past couple months. Thanks to your efforts and support we have reviewed our bylaws, contributed to community causes, heard from our Republican candidate hopefuls, and added new members. These are all important successes to grow our club in support of electing Republicans to office and to earning our Diamond Achievement award. In the upcoming months I look forward to building on these accomplishments by featuring Republican speakers at our meetings to discuss legislative issues, partnering with local colleges and high schools to engage young Republican Women and Teen Age Republican Students, and supporting community through member volunteer activities. We will need everyone's ideas and input as we decide upon fundraising and Teresa has done an excellent job of lining up our Republican candidates to speak at our meetings so that we are informed and prepared. The partisan primary and municipal election are scheduled for 17 May 2022. You can become more involved as an election worker as well as volunteering to support our candidates. If you are interested in serving as an election worker or volunteer, you may contact the Board of Elections. Your service hours may count towards our Achievement Award, too!

We are fortunate to have so many giving and supportive members. Thank you, Nina Pulver, for allowing our members to show their generosity and support you with book donations. Thank you to all who donated books. Because of your support Nina will be able to provide books to four schools, rather than just one!!

This is just one example of how we can support our communities. If you are interested in helping organize a fundraiser, voter registration, or leadership development event, we welcome your ideas and efforts.

We are truly blessed to live in this Country. There are so many challenges currently facing our Great Nation. Please pray for America, for our elected leaders at all levels, for our local community and for each other.

Thank you to everyone who contributes to our success. I look forward to seeing you all at our April Membership meeting and am honored to associate with such wonderful Republican Women!!
